

Andy Álvarez Criado

Barcelona, Spain · [Portfolio](#) · +34 665 86 68 19 · andykanka@gmail.com

Front-End Developer specialized in **HTML, CSS, JavaScript, TypeScript, and React**, with strong foundations in **UI/UX** and **responsive design**. Currently pursuing the **AWS Cloud Practitioner Certification** to expand expertise into **cloud deployment** and **scalable architectures**. Focused on building modern, optimized, and functional interfaces that improve the digital user experience.

Languages: Spanish & Catalan (native) · English (B1, studying B2)

PROFESSIONAL EXPERIENCE

E-commerce Project – Pet Supplies (Client Project, Shopify Theme)

- **Tech:** HTML, CSS, JavaScript, Liquid, Git
- Designed and developed a **custom Shopify theme** from scratch for a pet-product e-commerce.
- Implemented **responsive design** and optimized performance for mobile-first users.
- Integrated dynamic product pages, cart functionality, and checkout optimization to improve conversions.

AgencyFlex Innovations – Landing Page (Client Project)

- **Tech:** React, TypeScript, Tailwind CSS, GitHub
- Built a **high-performance landing page** for a digital services agency.
- Applied modern frontend best practices: **reusable components, strong typing, Tailwind for rapid UI**.
- Enhanced **SEO, responsiveness, and accessibility standards**.

EDUCATION
